

## ANNEX 1: Self-evaluation form for deliverables

### PROSPECT project

#### Self-evaluation of output

*To be answered at delivering of output.*

**Project partner:**

**Output:** IO1 PROSPECT Report

**Date:**

***What is the purpose of the output for the project?***

--

***What is the main added value of the output for the project?***

***What is its best feature?***

--

***Does the output also represent a milestone? If so, was it reached at the time it was planned in application/work plan? What is its importance in the project?***

--

***If output has innovative elements, what are they?***

--

***Additional comment – lessons learned, recommendations (if needed)***

--
